Looking for accommodation on Campus?

Once admitted to our program (in Master 1 or Master 2), students are offered the opportunity to have a university room (9 square meters) reserved for them on the campus via the CROUS (Centre Régional des Œuvres Universitaires et Scolaires)!

The **International Welcome Office ("Bureau d'Accueil International" - BAI)** of our University is in charge of accommodation on the campus and can provide precious information about housing if necessary.

You can also visit the [CROUS website](#) (in French only) to collect information about accommodation on the Le Mans University campus.

Accommodation and Visa

IMPORTANT : you must provide proof of accommodation in order to obtain your visa!
